

# MANUSCRIPT SUBMISSION

## GUIDELINES FOR AUTHORS

- New Author/Writer registers himself by filling the **Author Registration** form, given on the home page of the journal's web site.
- Once he successfully registers himself, he receives the username and the password via e-mail.
- The author then logs in to the website using the provided username and password. After logging into the website, he submits the article by going through several submission processes.
- Once the article gets successfully submitted by the author. It is then further forwarded to the Admin/Managing Editor, who then peer-reviews the article. The article is peer reviewed in form of abstract, text, references, figures, tables and their captions and citations.

But if one of the pre-requisite is missing, then the article is sent back to the author by Admin/Managing Editor, till the author doesn't complete the file.

In other case, if the author sends the complete file to the Admin, then the Admin/Managing Editor accepts the file and further forwards to the Editor-in-Chief for review process.
- Once the file/article is received by the Editor-in-Chief, he then reviews the file in the form of its content and decides whether the article is worthy of getting published or not.

The decision of the Editor-in-Chief is final.

- Example of a ‘New Author Registration’ form is as follows:

## STEPS TO SUBMIT A MANUSCRIPT

The Author has to sign in from the under-given box appearing on the Home page of Jaypee Journal

The screenshot shows a login form with a red header labeled 'Login'. It contains two input fields for 'User Name' and 'Password', followed by a 'Login' button. Below these are four radio button options: 'Author' (selected), 'Editor', 'Reviewer', and 'Admin'. At the bottom, there are links for 'New Author Registration', 'Forget Password?', 'E-alerts', and 'Track-Manuscript'.

In the box given above, the Author has to sign by typing in the User Name and the Password.

Then, he has to choose the option 'Author' from the four options,

Author     Editor     Reviewer     Admin

The next step is to click on the option, login appearing as a box like this

If the password is lost or forgotten, then the Author must type in the username and then click on  option appearing just below the User Name and the Password boxes.

Once the button  is pressed upon. The following box appears:.

The screenshot shows a 'Forgot Your Password' form with a red header. The text reads: 'Password Help: Enter your email address to receive an email with your account information'. Below this is an input field for 'Enter Email id'. There are four radio button options: 'Author' (selected), 'Editor', 'Reviewer', and 'Admin'. At the bottom, there are 'Back' and 'Go' buttons.

The option 'Author' has to be chosen from the bar shown below:

Author     Editor     Reviewer     Admin

Then the key  must be pressed.

The Author has to type in his/her registered E-mail to get it e-mailed by the Jaypee Information Database.

As soon as the Author logs in correctly, the following screen appears:
